

Appendix 9: Species of international conservation concern on the RBCMA (based on Wildtracks 2005).

| Common name | Scientific name | Conservation Status | Listed | Status on RBCMA |
|--------------------------------|---------------------------------|---------------------------------|----------------------|---|
| MAMMALS (11) | | | | |
| Yucatan black howler monkey | <i>Alouatta pigra</i> | Endangered, Trade Controls | IUCN Red List, CITES | Common throughout, high forest |
| Baird's Tapir | <i>Tapirus bairdii</i> | Endangered, Trade Controls | IUCN Red List, CITES | Frequent, widespread |
| West Indian Manatee | <i>Trichechus manatus</i> | Vulnerable, Trade Controls | IUCN Red List, CITES | Ranges into New River Lagoon |
| Elegant Myotis | <i>Myotis elegans</i> | Near-threatened | IUCN Red List | List Recorded |
| Jaguar | <i>Near-threatened</i> | Near-threatened, Trade Controls | IUCN Red List, CITES | Widespread, frequent to common |
| Puma | <i>Panthera concolor</i> | Near-threatened | IUCN Red List | widespread and fairly frequent? |
| Great false vampire bat | <i>Vampyrum spectrum</i> | Near-threatened | IUCN Red List | Status uncertain seen at La Milpa ruins |
| Neotropical river Jaguarundi | <i>Lutris longicaudis</i> | Trade controls | CITES Status | fairly frequent? |
| Ocelot | <i>Herpailurus yaguarondi</i> | Trade controls | CITES Status | recorded |
| Margay | <i>Leopardus pardalis</i> | Trade controls | CITES Status | frequent |
| | <i>Leopardus wiedii</i> | Trade controls | CITES Status | frequent |
| BIRDS (12) | | | | |
| Yellow-headed parrot | <i>Amazona oratrix</i> | Endangered, Trade Controls | IUCN Red List, CITES | Common, RBCMA pine savannah is nationally |
| White-crowned pigeon | <i>Columba leucocephala</i> | Near-threatened | IUCN Red List | Rare, marginal range but recorded at Hill Bank |
| Olive-sided | <i>Contopus cooperi</i> | Near-threatened | IUCN Red List | Regular passage migrant |
| Great curassow | <i>Crax rubra</i> | Near-threatened | IUCN Red List | Widespread, frequent |
| Harpy eagle | <i>Harpya harpyia</i> | Near-threatened, Trade Controls | IUCN Red List, CITES | Re-introduced to western RBCMA, Status unknown |
| Black rail | <i>Laterallus jamaicensis</i> | Near-threatened | IUCN Red List | Status uncertain, rare or local |
| Black Catbird | <i>Melanoptila glabirostris</i> | Near-threatened | IUCN Red List | Local |
| Ocellated Turkey | <i>Meleagris ocellata</i> | Near-threatened | IUCN Red List | locally common |
| Crested eagle | <i>Morphnus guianensis</i> | Near-threatened | IUCN Red List | Very uncommon |
| Golden-winged warbler | <i>Vermivora chrysoptera</i> | Near-threatened | IUCN Red List | recorded passage migrant on western RBCMA |
| Jabiru | <i>Jabiru mycteria</i> | Trade controls | CITES | frequent on wetlands, breeder |
| Peregrine Falcon | <i>Falco peregrinus</i> | Trade controls | CITES | uncommon winter visitor/transient |
| Falco | | | | |
| REPTILES (7) | | | | |
| Central American river turtle, | <i>Dermatemys mawii</i> | Endangered | IUCN Red List | Common, deeper rivers are important habitat |
| Mexican giant mud turtle | <i>Staurotypus triporcatus</i> | Near-threatened | IUCN Red List | frequent to common in deeper water-bodies |
| Narrow-bridged musk turtle | <i>Claudius angustatus</i> | Near-threatened | IUCN Red List | Recorded, infrequently seen |
| Morelet's Crocodile | <i>Crocodylus moreletii</i> | Near-threatened, Trade Controls | IUCN Red List, CITES | Common, all water-bodies |
| Tabasco mud turtle | <i>Kinosternon acutum</i> | Near-threatened, Trade Controls | IUCN Red List, CITES | Recorded, La Milpa. |
| Common slider | <i>Trachemys scripta</i> | Near-threatened | IUCN Red List | regularly seen in water-bodies |
| Boa constrictor | <i>Boa constrictor</i> | Trade controls | CITES | Widespread, fairly common |
| PLANTS (12) | | | | |
| Pigeonplum, mosquito stick | <i>Quiina schippii</i> | Endangered | IUCN Red List | frequent in high forest, eastern RBCMA |
| Fiddlewood | <i>Vitex gaumeri</i> | Endangered | IUCN Red List | One of commonest species, all forest types |
| Prickly Yellow | <i>Zanthoxylum ekmanni</i> | Endangered | IUCN Red List | Occurs (NB – sight records and stock surveys usually lump all |

| | | | | |
|------------------------|----------------------------------|-----------------|---------------|---|
| Bastard prickly yellow | <i>Zanthoxylum caribaeum</i> | Endangered | IUCN Red List | Occurs, collected on western RBCMA |
| Black prickly yellow | <i>Zanthoxylum juniperinum</i> | Endangered | IUCN Red List | Occurs, collected on western RBCMA |
| Vara blanca | <i>Aegiphila monstrosa</i> | Endangered | IUCN Red List | Occurs, collected on western RBCMA |
| Cedar | <i>Cedrela odorata</i> | Vulnerable | IUCN Red List | Widespread, locally common to fairly common |
| Palm | <i>Gaussia maya</i> | Vulnerable | IUCN Red List | frequent, western RBCMA |
| Silly Young | <i>Pouteria amygdalina</i> | Vulnerable | IUCN Red List | frequent, western RBCMA |
| Mahogany | <i>Swietenia macrophylla</i> | Vulnerable | IUCN Red List | Common, all forest types |
| White Mylady | <i>Aspidosperma megalocarpon</i> | Near-threatened | IUCN Red List | frequent, all forest types but mainly western |
| Mata raton | <i>Zamia polymorpha</i> | Near-threatened | IUCN Red List | Fairly common, savannas |
